Retired/Older-No health guarantee: Is this an older or retired dog/puppy? Yes () No ()

Reduced and sold as is due to health -No guarantee and is reduced significantly this will be noted at time of sale. Is this a reduced puppy due to a health issue? Yes () No ()

If different it will be noted and changed here: 1yr () 2yr () 3yr ()

Buyer is aware that puppy is to be seen by a licensed veterinarian within 72hrs of pickup or health guarantee is voided? Yes () No ()

Buyer is aware that changing food the first 30 days after puppy has been delivered will also void health guarantee? Yes () No ()

Buyer is aware that if puppy has been walked in any public area's or surfaces this will also void health guarantee? Examples: Public parks, public businesses, rest area's, gas stations, public stores or businesses, airports, pet relief areas, public neighborhoods or sidewalks. I highly suggest until the puppy has received 3rd parvo vaccination that you

limit it to a small area of confinement like garage, back patio or porch. If the yard is professionally mowed or serviced this also can place puppies at risk.

1. Buyer Agrees: to provide a lifelong commitment, comfortable environment, prompt medical attention, proper grooming, and responsible care. This includes keeping this puppy/dog parasite free and UTD with inoculations, proper nutrition, which consist of good quality food given at proper intervals, fresh water at all times. the buyer promises to provide a safe environment for the puppy or dog, never allow the puppy/dog to roam freely without proper fencing or supervision.

2. Health Guarantee:

(a) If the puppy is delivered unhealthy/ill. Proof of exam first 72hrs must be provided by a licensed veterinarian with a diagnosis.

(b) Genetic health guarantee is specific to breed genetic pre-dispositions and congenital defects. This is not related to autoimmune disorders, allergies, diabetes or etc. All health testing has been provided on Dam/Sires. In the event it would be found your puppy/dog has a genetic or congenital defect a written diagnosis from licensed veterinary will need to be provided.

(c) Note Giardia, Coccidia, Parvo, and general parasites are not considered covered under your health guarantee. Fecals are done at 8wks before take home if positive medicine is offered to families and to take puppy home or to extend longer stay at breeders and medicine given.

3. Health return policy:

(a) Written diagnosis provided, buyer has been compliant with all things listed in contract see health guarantee stipulations above, if breeder is at fault for giving an ill/unhealthy puppy.

(b) Full return of funds will be offered, replacement puppy offered if available or next litter pick. If desired to keep puppy options of discounted rate will be discussed

(c) If a full refund is given the puppy will be returned to the breeder with all records and belongings.

4. Return puppy:

(a) In the event a buyer can no longer retain a puppy/dog the buyer will contact the breeder and make arrangements for return of the puppy/dog back to the breeder. A dog/puppy is never to be resold, surrendered to shelter, given to different family members, sold to a 3rd party, or sold or given to an animal research facility. My policy is no questions asked. I will accept a dog/puppy no longer wanted. All medical records will be provided to the breeder.

5. Concerns or Issues:

(a) Training is key, I highly suggest working with a trainer or group classes, the internet is a free tool and lots of options to train a dog/puppy.

(b) If concerns of training, behavior or health arise I'm here to help and want to be notified..

(c) Lifetime support from breeder, this means please be proactive vs non reactive. It's way easier to deal with things in the beginning vs waiting later so again please contact me with concerns or questions if you have not found the information in the informative PDF folder sent by email. This also helps me know if a wrong pairing is occurring and if adjustments are needed in my program.

6. Updates:

Yearly updates on puppies/dogs are required for the life of a pet. This is required throughout the year at least 6x a yr. You can send by email, text.

Address changes, out of state moves, changes in phone number or emails must be updated to me. I'm not asking for approval of things it's more a safe guard in the event the pet would be lost and I have the means to reach you.

I put a lot of love and care into these puppies and my program and I never want them to be in limbo or without so it's really just being an extension of your family and mine and allowing me to continue to see these pups grow up.

7. Registries:

(a) At this time the only puppies I can register are my Soft Coated Wheaten Terrier and the registry is for APRI

(b) Should this change it will be noted and provided

8. Included:

(a) 2 Veterinary exams and CPV Vaccine @ 6wks, parvo/distemper combo at 8wks. Vet records provided by PDF. Fecals done at 8wks old, 2-4 deworming. Interceptor plus given at 6 or 8wks old. Breeder pdf record.

(b) Microchipped (Finano).

(c) 25% off Baxter & Bella online training code

(d) PDF Folder sent this is a over 65 pages tips and suggestions how to care for puppy, Lifetime support from breeder

(e) Trupanion health coverage 30 days free

(F) Raised on puppy curriculum, introduction to ens, puppy litter grate training, bathing/basic grooms, introductions to crate training, handled daily and raised in my home.
